Children's Toys

Chip packets & lolly wrappers

This is a great follow-on from Zero Waste to reduce the rubbish in our landfills and to celebrate the exciting news that we are now officially an Enviroschool!

Central Hawke's Bay District Council is working towards some of the goals and objectives set out in their Waste Management and Minimisation Plan (WMMP) and Environmental and Sustainability strategy, both documents were co-designed with the community and have a strong focus on working towards the vision of a **Waste Free CHB**.

One of the objectives they are working towards is promoting, encouraging and emphasising REDUCTION, REUSE AND RECYCLE.

They have produced this poster to show everyone what can and cannot be recycled here in Central Hawke's Bay.

\* Not all areas within CHB receive

Make landfill your last choice.

WASTE FREE CHB
